## OBJECTIVE

---

Fresher Software Engineer skilled in **Java and MERN Stack** with hands-on experience in building full-stack applications, REST APIs, and database-driven systems. Seeking entry-level Software Engineer / Full Stack Developer roles.

## EDUCATION

---

### Bachelor of Technology in Information Technology

2026

Parul University, Vadodara, Gujarat CGPA:

6.8 / 10

### Higher Secondary (12th), MSBSHSE

2022

Percentage: 86.83'

2020

### Secondary (10th) , MSBSHSE Percentage:

89%

## SKILLS

---

**Languages** Java, JavaScript, Python (Basic)

**Frontend** React.js, HTML5, CSS3

**Backend** Node.js, Express.js, JDBC

**Databases** MySQL

### Online Grocery Management System

Java, JDBC, MySQL

- Developed a grocery management system to manage products, users, and orders.
- Implemented CRUD operations with proper input validation.
- Used MySQL for persistent storage and JDBC for database connectivity. • [GitHub](#)

### CRUD Web Application

MERN Stack

- Built REST APIs using Node.js and Express.js.
- Implemented Create, Read, Update, and Delete functionality.
- Integrated MongoDB with frontend using React.js.
- [GitHub](#) — [Live](#)

### Shuffle Memory Card Game

React.js, JavaScript

**Concepts** OOP, Data Structures, REST APIs, CRUD Operations

**Tools** Git, GitHub, Postman, VS Code, Eclipse

## PROJECTS

---

- Designed an interactive card-matching game with random shuffle logic.
- Implemented move counter and win detection.
- Built a fully responsive UI for desktop and mobile.
- [GitHub — Live](#)

### Online Voting System

Java, Swing, JDBC, MySQL

- Implemented secure login authentication and voting modules.
- Designed user-friendly GUI using Java Swing.
- Reduced invalid entries by 30% through strong validation.
- [GitHub](#)

## CERTIFICATIONS

---

- NPTEL (IIT Kharagpur) – Computer Networks & Internet Protocol (2024)
- Infosys Springboard – Java Programming Fundamentals (2025)
- Infosys Springboard – Database and SQL (2023)

## ADDITIONAL

---

Languages: English, Hindi, Marathi

Soft Skills: Communication, Teamwork, Time Management, Adaptability
